The PERMITTEE hereby attaches a check in the amount required by the District's current fee schedule payable to the District and further agrees to pay all administrative, engineering and legal costs incurred by the District in reviewing this application. The PERMITTEE hereby certifies that he/she is the fee simple owner of the property adjacent to the District's Right-of-Way and gives authorization to the District to file a lien on said property for the above referenced costs, should they not be paid. The APPLICANT understands these costs are to be paid whether the permit is approved or denied. In the event this application is approved, the permittee will be required to execute the District's then applicable Permit, along with the Standard General Conditions, and any special conditions deemed warranted by the District.
